Dear Dr. Dilip Barad,

Paper reviewer for GEMA Online Journal of Language Studies

Thank you so much for agreeing to review manuscripts for GEMA Online Journal of Language Studies.

For your information, GEMA publishes articles that can be classified under two broad categories namely:

Type A: Articles on theoretical issues and research.

Type B: Articles on pedagogical concerns that include discussions of methods, techniques and ideas useful in the classroom, and sharing of information/knowledge useful to language teachers.

You will need to review the manuscripts (send to you through e-mail) accordingly following the reviewer's checklist, give an overall assessment and consider the paper's contribution to the field.

I would very much appreciate to hear from you in two weeks.

Yours sincerely,

(through e-mail)

Assoc. Prof. Dr. Saadiyah Darus
